# **Renewal Instructions**

**2007-2008 School Year** 

#### Dear Educator:

Our records show that your Vermont educator's license will expire on June 30<sup>th</sup> of this year. We have prepared this information packet to help you through the renewal process.

Reading these instructions will help ensure swift and accurate processing. **Please keep this packet**. We will refer to it if you contact us with questions.

# What's New?

- <u>Disclosure Form</u> This form must be completed for all license renewals. If you have previously reported the same incident to the department, please indicate when it was reported and the results of any investigation.
- New and/or revised licensing regulations were enacted by the State Board of Education in June of 2007. You may view the complete <u>Regulations Governing the Licensing of Educators</u> online at this web site: http://education.vermont.gov/new/html/licensing/regulations\_endorsements.html.
- The Vermont Standards Board for Professional Educators approved new and/or revised endorsements and endorsement competencies. Vermont approved educator endorsement codes are included in this packet. You may view all endorsements and endorsement competencies online at: http://education.vermont.gov/new/html/licensing/regulations\_endorsements.html.
- The Vermont Re-Licensing Process...A Handbook for Educators was published to provide educators with a resource about the development of an Individual Professional Development Plan, the documentation of that plan in a portfolio, and general re-licensing information. It is located online at:
  - http://education.vermont.gov/new/pdfdoc/prodev/educators\_handbook\_06\_rev\_0306.pdf
- <u>Level I licenses are issued for three years.</u> Licensing fees are assessed according to the number of years a license is valid at a rate of \$ 40.00 per year. The three-year Level I license fee is now **\$120.00.**
- <u>Level I Professional Development Requirements</u> Previously, a Level I license did not require verification of professional development activities. For 2008, regulations require that you provide documentation of three professional development credits, **directly related to the endorsement area** when you **renew a three-year Level I license.**

# Reasons why renewals are delayed:

- Incomplete forms
- No employment information
- Forms are not signed
- Incorrect fees

# **Important Reminders**

- Read the instructions and complete your forms carefully. Incomplete forms or forms received without fees will delay processing.
- Due to the high volume of renewal forms and new applications we receive each spring, renewal forms received after May 31<sup>st</sup> will take at least 6 weeks to process. Renew early!
- Do not fax or email renewal forms.
- Renewals are processed in the order of the date received in the Licensing Office.
- Forms hand delivered to the office will be processed with that day's mail.
- Licenses are not issued or printed on a walk-in basis.
- Please do not ask the Local/Regional Standards Board to mail your renewal to the Licensing Office.
   Mailing your own forms, with the orange return postcard, ensures that you know when they were received.
- If you are planning to apply for the **Retired Educator License**, please e-mail the Licensing Office at: **doe-licensinginfo@state.vt.us** or call us at 802-828-2445.

# VERMONT APPROVED EDUCATOR ENDORSEMENT CODES

Each license must have one or more endorsements. An endorsement specifies the instructional level and the endorsement content area in which the license holder is authorized to perform educational services. The first digit in an endorsement code denotes the grade or age range the educator may serve, and the latter two digits denote the content area. (Example: 2-05 = Grade 7-12 English)

# Instructional Levels

Some instructional levels are restricted to specific endorsements. Please refer to the endorsement competencies and endorsement authorization statement (located under the endorsement name) for the instructional levels available for the endorsement. Note: Not all instructional levels can be assigned to all endorsements.

- 1) In order to be approved, professional development activities submitted for license/endorsement renewal shall:
  - a) relate directly to the knowledge and performance standards of the endorsement(s) being renewed and/or to the 5 Standards for Vermont Educators and 16 educator principles incorporated within the 5 standards, and
  - relate directly to the goals outlined in the educator's approved Individual Professional Development Plan (IPDP).
- Relicensure credit may be awarded for activities that are paid or unpaid and required by the school/district or selfselected.
- 3) Relicensure credit is a unit of measure assigned by a local or regional standards board, or the Licensing Office, to professional development activities other than academic credit bearing courses that meet standards for relicensure/reinstatement. Fifteen (15) clock hours of professional development is equivalent to one (1) relicensure credit. Relicensure credits and academic credits apply equally toward relicensure/reinstatement requirements.
- 4) The minimum contact time required for relicensure credit to be accrued is one-half (½) hour.
- 5) Preapproval of professional development activities is suggested but not required.
- 6) Level I renewals require three credits of professional development in the endorsement area. One of the three credits must align with the content and knowledge standards of the endorsement.
  Level II renewals require nine credits of professional development in the endorsement area. Three of the nine credits must align with the content and knowledge standards of the endorsement.
- 7) Credits earned by an educator during a licensure cycle may be used if applicable to address professional development requirements to renew multiple endorsements and also both Level I and Level II licenses.

Contact your L/RSB for information about pro-rating your professional development requirements if the endorsement you moved will be held for less than 7 years.	\$ 40.00

# How do I move an endorsement from Level I to Level II?

Moving an endorsement from Level I to Level II requires that you have taught in that endorsement area for three years. It also requires that your administrator provides evidence of mentoring, a recommendation by your administrator, and the submission of an IPDP approved by your Local or Regional Standards Board. The Licensing Office cannot move an endorsement from Level I to Level II. The recommendation must come from the Local or Regional Standards Board. (*Licensing Regulation* 5431)

# I have two endorsements on my Level I (or Level II) license. Do I pay for each endorsement?

No. A license may hold more than one endorsement. You only pay for the appropriate license, not the individual endorsements.

# <u>Do I have to pay both the Level I and Level II fees if I am renewing one endorsement at Level I and a different endorsement at Level II?</u>

Yes. These two licenses represent different levels of experience.

# What is a Level I license?

The **Level I license** is granted when you first qualify for an educator license or when you add an endorsement. Level I licenses are now valid for three years.

All additional endorsements are added at Level I.

#### What is a Level II license?

The **Level II license** is a professional educator license and is granted for seven years. Many educators have both a Level I and a Level II license. For some people, the Level I and Level II licenses expire in different years. For others, the licenses may expire in the same year. If you have endorsements at Level I and at Level II, you must pay the fee for **each license** when that license expires.

# <u>I have worked in an endorsement area for three years and my L/RSB has recommended me for a Level II license.</u> I don't want to move this endorsement to a Level II. May I stay at Level I?

No. If you meet the criteria for a Level II license and you are recommended by your Local or Regional Standards Board to move to a Level II license, you <u>must</u> prepare an **Individual Professional Development Plan** and move this endorsement to Level II. You also need to have the transitional form signed by your administrator. **You do not have the option to remain at a Level I.** 

# All of my endorsements are at Level II. When I added an endorsement this year I was required to pay fees for a Level I license. Why is this endorsement at Level I and all of my other endorsements at Level II?

Regulations require that all new endorsements be placed on a Level I license, no matter how experienced you are at teaching in the other endorsement areas. This ensures that you meet all the requirements of Level I before moving to Level II.

# I don't want to renew all of my endorsements. Can I drop some from my license, but keep others?

Yes. Complete the **Drop An Endorsement Form** and return this with your renewal packet. Be sure to complete the "Drop" box on the bottom of your white renewal form. Also remember that you must have the chair of your L/RSB sign and date this form if you work in a school with a board.

# How will I know the Licensing Office has received my forms and fees?

If you enclose the *orange self-addressed and stamped (SAS)* Return Post Card with your renewal forms and fees, we will mail it back to you the day we receive your renewal packet. This is our way of notifying you that your renewal packet has been received. **Keep this card.** It can be used as verification to your superintendent that your renewal forms were sent in on time and that your license is in process.

If you **do not** enclose the SAS Return Post Card with your renewal, you **will not** be notified that we have received your renewal form.

# May I call the Licensing Office to see if my forms were received?

The Licensing Office receives hundreds of phone calls and emails each week during the annual renewal period. The most efficient way to find out the status of your renewal is to:

- > Send the SAS Return Post Card with your renewal mailing. We will send you this postcard confirming that we have received your renewal forms.
- ➤ MAIL YOUR RENEWAL EARLY! Each year the Licensing Office receives the majority of renewal forms and fees on June 30<sup>th</sup>, the deadline for renewals. You will receive a faster response if you send your renewal form prior to May 15<sup>th</sup>.
- > If you have not received your license 2 months after you have received your returned orange postcard, please call the Licensing Office at 802-828-2445.

# What happens if the Licensing Office has a question about my forms or fees?

When the Licensing Office has questions or needs clarification about the renewal form, a Licensing Specialist will either contact you or the L/RSB chair.

If the question refers to the information you completed, the Licensing Specialist will contact you.

If the question refers to the action by the **L/RSB**, the Licensing Specialist will contact both you and the **L/RSB Chair.** In order to expedite the process you may wish to contact your L/RSB chair.

In some cases it may be necessary for the Licensing Office to return the original form to you or the L/RSB chair. If this occurs, the original form must be returned to the Licensing Office with the requested information.

## What is a Local Standards Board (LSB)?

#### Licensing Regulation 5622

A local standards board shall be established and maintained for the primary purpose of recommending teachers for relicensure. Such recommendations shall be based on an LSB-approved Individual Professional Development Plan (IPDP) and corresponding LSB-approved professional development activities, an LSB-approved professional portfolio, these regulations, standards defined by the VSBPE, and standards set forth in a local plan of operation that has been approved locally and by the VSBPE.

**Teachers** who also hold administrator endorsements shall renew those endorsements through the local standards board.

# What is a Regional Standards Board (RSB)?

#### Licensing Regulation 5632

A regional standards board shall be established and maintained for the primary purpose of recommending administrators for relicensure. Such recommendations shall be based on an RSB-approved Individual Professional Development Plan (IPDP) and corresponding RSB-approved professional development activities, a RSB-approved professional portfolio, these regulations, standards defined by the VSBPE, and standards set forth in a regional plan of operation that has been approved regionally and by the VSBPE.

# What happens if the Licensing Office needs to contact my L/RSB during the summer?

We will contact the **L/RSB** at their summer address if one has been given to the Licensing Office. The Licensing Office strongly recommends that you ask your L/RSB for the summer address prior to the end of school in the event that you need to contact your chair during the summer months.

# Can I renew my license directly through the Licensing Office?

That depends on where you worked during the 2007-2008 school year.

If you **worked** in a school served by a Local or Regional Standards Board during the 2007-2008 school year, you **must** renew through your Local or Regional Standards Board.

If you **did not** work in a school served by a Local or Regional Standards Board during the 2007-2008 school year, you may either:

- 1) renew your license directly through the Licensing Office, or
- 2) you may contact a Local or Regional Standards Board in your area and ask if they will assist you with the renewal process. This applies to educators at independent schools.

Some LSB's will assist educators outside of their jurisdiction. To find a list of LSB's in your area, please go to the following web site:

http://education.vermont.gov/new/html/pgm\_prostandards/lrsb/lrsb.html

Contact the Department of Education Consultant for Local and Regional Standards Boards at 828-1370 for more information about Local and Regional Standards Boards in your area.

If you renew through either the Licensing Office or the L/RSB, the requirements are the same.

# <u>I have tried to resolve renewal issues by working with my L/RSB (or the Licensing Office), but I don't agree with the decisions. Is there an appeal process?</u>

Yes. The appeal process is found in Chapter 51 of Title 16 V.S.A. section 1696(f) and can be located at: http://www.leg.state.vt.us/docs/legdoc.cfm?URL=/docs/2006/acts/ACT214.HTM

#### When will I receive my renewed license?

Our goal is to either 1) send your new license, or 2) correspond with you or your L/RSB within six weeks of receipt of your forms and fees. Most educators hear from us sooner.

### What will be the issuance date of my license?

The issuance date on all renewed licenses is **July 1 of the License's expiration year.** If you submit your renewal form early, your new license will still have the issuance date of July 1 because your existing license is valid until June 30.

#### Your license cannot be issued until all issues have been resolved.

# What happens if I don't renew my license by the expiration date?

Your completed renewal forms must be postmarked no later than June 30<sup>th</sup> of the expiration year. If your renewal form is not postmarked by **June 30th**, **you are no longer eligible to renew your license**. If this occurs, you are no longer licensed to work in public education in the State of Vermont.

Should your license expire, you will have to reinstate it before you can work in a public school.

License reinstatement is a lengthy process that requires additional fees and may require a new criminal record check via fingerprinting.

Please don't let this happen. Send your renewal forms to the Licensing Office before your license expires.

# RENEW BEFORE YOUR LICENSE EXPIRES ON JUNE 30<sup>TH</sup>.
